Spring 2020

Happy Spring from everyone at Schuylkill Memorial Park and Grabowski Funeral Home

This past winter was reasonably kind to us here at Schuylkill Memorial Park. While we did not have much snow to handle this year the warm weather creates its own set of concerns. The warm weather can create increased ground repairs needed at the start of the season in addition to the usual winter repairs. We have already begun to prepare sites for seed and will be getting areas top-soiled as soon as the evening frost is behind us.

The cemetery continues to provide a place of remembrance to families of Schuylkill County and our funeral home experienced their best year in 2019 since its inception. It has been an honor to be available to our families in their time of need and work with them to move from a place of grief to remembrance. We continuously work our pre-need programs to suit each family's individual needs and secure pricing while being able to guarantee services in the event of death prior to completion of payment. Meet with one of our professionals today to secure your wishes and your family's piece of mind.

Attorney Shelby Hostetter has grown her practice from our main office. She is available to our families after a loss to help probate an estate, transfer assets, and much more. Attorney Hostetter also specializes in working with our families before a loss to make sure the proper planning is in place with wills, medical power of attorney, nursing home qualification, asset protection and more.

We would like to encourage all our families to visit their loved one's dedicated page on our website. Every decedent has a Remember My Journey page which can show different aspects of your love one's life. Here you can upload photos, provide educational and occupational information and have it available to generations to come. While on our site we suggest you look at **Joseph Grabowski** to get an idea of what can be done to memorialize your loved one.

Finally, we would like to remind our customers to follow us on Facebook. With new Medicare qualification standards due out shortly we have another informative Senior Seminar in planning with hopes to finalize our program for April or May. The seminar will offer a lot of important information led by speakers Attorney Shelby Hostetter and Senior Financial Advisor Stan Fidrych with Complete Financial Group. Please keep informed of upcoming events on our page. This will also remind you of important happenings on the grounds of the park as well.
